SKILLS

Flash 8, ActionScript 2.0, Java/JSP, PHP, ASP, SQL, Javascript, HTML/CSS, AJAX, C/C++, Assembly, Apache Tomcat, Day Communiqué 4.1.

OBJECTIVE

Expand my skillset and knowledge in a creative, forward-thinking environment, while developing professionally and taking on more of a managerial role.

WORK EXPERIENCE

July 2005 - Present **ROKKAN** **New York, NY**
Programmer

Worked on interactive Flash/HTML sites for high profile clients such as Time Warner, EA Sports, Deutsche Bank,and Credit Suisse who demanded the latest technologies including seamless video integration, a highly configurable XML back end, and an easy to use CMS.

July 2005 - Present **Credit Suisse**, consultant **New York, NY**
Java Developer through ROKKAN

Implemented the major CMS structure for Credit Suisse's job recruitment site. I became a key resource at Credit Suisse for my ability to master the Day Communique System which has little documentation.

August 2004 - July 2005 **Hebrew Home for the Aged** **New York, NY**
Web Specialist

Overhauled their current intranet to create a dynamic site with database driven information, with content provided through a CMS (http://russellsavage.com/projects/). I created an online application system for new residents to the Home, as well as optimized their website for search engine visibility.

September 2003 - July 2004 **Maine Hosting Solutions** **Bath, ME**
Web Designer/Developer

Lead Web Designer for a web hosting company. I also provided technical support for the clients via email and telephone.

October 2003 - Summer 2004 **The Association of Gaming Professionals** **Richmond, VA**
Web Designer/Programmer

Developed the website for the newly developed company. I also created a management system using a template-based interface whereby users could cooperatively develop their own Flash web magazines.

CLUBS AND ORGANIZATIONS

U-Mass Hang Gliding Club President. I held office for two years during which I was responsible for organizing the clubs agenda for the school year and lead weekend trips up to the flight park.

EDUCATION

September 1999 - May 2003 **University of Massachussetts** **Amherst, MA**

- BS in Computer Science
